30 June 2022

Dear Parents and Carers

I am writing to inform you of some staffing changes for the academic year 2022-2023 here at All Saints.

First, after 23 years at All Saints Mrs Fraser has decided that now is the time to take a well-earned rest and begin her retirement. I am sure you will join with me in wishing Mrs Fraser a long and very happy retirement, as well as thanking her most sincerely for her dedication, love and commitment to the children and families of Wigston. She has worked tirelessly in many year groups and has, during that time, seen an incalculable number of children and families pass through the school. We will be holding a very special assembly for Mrs Fraser before the end of term and we will take lots of photos and pop these onto Dojo for you all to share.

Second, we say a fond farewell and huge congratulations to Miss Jackson. Miss Jackson has worked across the school since 2016 and leaves us to take up a promoted leadership post at Bridge Junior School in the city. Miss Jackson will be greatly missed in school but we wish her well as her career progresses.

Imogen Warwick, our lead teacher in Footsteps is also moving. Imogen will take up a leadership and whole school Special Educational Needs Co-ordinator role at Hinckley Parks Primary School in August. Imogen will be greatly missed but we wish her well as her career progresses.

Also moving on is Matt Newman in Footsteps. Matt has worked tirelessly not only in Footsteps, but also in mainstream school where he was sports coach when he first joined us. Matt has decided that he will return to university to study for his Post Graduate Certificate in Education so that he will be awarded Qualified Teacher Status. We wish Matt well in his studies and hope that he will not be a stranger to us all at All Saints.

This of course means that we have been busily recruiting for new staff and I am pleased to welcome into our All Saints family, Miss Zoe Bott and Mr Matthew Furlong. Zoe will be leading our Year 3 class and Matthew will be our lead teacher in Footsteps and of course not forgetting Mr Andrew Owens who following recruitment in April will be joining us as our new Assistant Head Teacher. They will be in school over the next week to take part in transition activities with staff and leaders so that there is a smooth hand over.

This means that I can now announce the staffing and classes for All Saints are as follows for the academic year 2022-2023. The children will meet their new teachers on our transition morning on Tuesday 5<sup>th</sup> July and I am pleased to announce your child's class and teacher as per the table over the page:

Please be assured that staff will be meeting together to communicate information regarding children's progress and any additional learning needs prior to the end of term but feel free to contact your child's teacher or new teacher should you have any concerns. This can be done via email to the school office for the attention of the new teacher.

Yours sincerely

Julie Wright  
Head Teacher
