

Topic Project Homework – Autumn 2

Paris

This half term's topic is Paris. We will be finding out about the city and exploring architecture in art. We will be speaking about Alexander the Great, as well as learning about other philosophers such as Plato and Aristotle. This term we are also basing our writing on the book by Roald Dahl, Esio Trot.

Your homework project is your opportunity to do your own learning linked to this topic in a way that interests you. We would love you to be as creative as possible to show us what you found out.

Here are some ideas:

- **Locate the world's countries on a map, can you find Paris?**
- **Create an Eiffel Tower.**
- **Find 10 facts about Western Europe.**
- **Use shadow in a drawing.**
- **Research famous philosophers.**
- **Make Big Ben out of a variety of materials.**
- **Grow your own beanstalk and label the parts.**
- **Create your comic strip version of a fairytale.**
- **Try some food from Paris e.g. cheese, croissants, French bread.**

Or choose your own idea. Remember to involve your adults and ask them what they know about Paris.

Try the following website to help you.

- <https://kids.britannica.com/kids/article/Paris/345991>
- <https://www.historyforkids.net/greek-philosophy.html>

Your projects are due in by 30th November!
