Notes From The Recent School Council Meeting:

The school council met on Monday, for the first time after the Christmas break and immediately started to talk about **Healthy Eating!** They have come up with some truly awesome ideas to help promote and encourage us all to eat more healthier at school and at home.

The school council, are going to be doing a Collective Worship and sharing their ideas with the school and promote. They have all ready started to create posters (which you will see around school shortly)... plus much much more!
Keep your eyes peeled for further announcements.

School Council Competitions:

The School Council are currently thinking of some exciting competitions to run for Healthy Eating...

Keep your eyes peeled for further announcements!

Current School Council Projects:

- Healthy Eating
- Comic Relief March 2023

The School Council invites their classroom peers to offer suggestions and ideas which they would like to be discussed and acted upon during the meetings.

If you have any suggestions, please let your council representative know.

Thank you!
